

## 1. Self-reflection

1. What is your major and why did you choose your major? **My major is Computer Science and Data Science, Analytics and Visualization. I chose this major because of my interest in technology.**
2. Why did you choose Chaminade University to pursue your major? **I chose Chaminade University to pursue my major because it is the one and only Catholic university in the state of Hawaii.**
3. What are 3 strengths you learned about yourself during your time at Chaminade University and please explain each strength?
  1. **Asking for assistance – I do not hesitate to ask questions**
  2. **Collaboration — I work well within a team**
  3. **Taking things one step at a time — I cannot do everything all at once, but I can do things one step at a time**
4. After this semester, what is 1 thing you would like to improve on and explain your plan? **I would like to improve my motivation towards my priorities. Possible changes to my schedule may help.**
5. What has been your biggest accomplishment so far? Note: No accomplishments will not be accepted as a response. **Making it through my first semester of university with an on-campus, part-time position.**

## 2. Technology-reflection

1. Can you share on why you are/were interested to study in this technology discipline (taking this DS 100 class or pursuing a major, minor, or certificate)? **I see technology as the future, and as a prospective educator and/or business manager, I would like to use my digital talents for the good of the community.**
2. Do you believe technology drives society or does society drives technology? Please explain your thoughts. **Society drives technology as society is the inventor of technology. Technology assists society.**
3. Is it possible to live a life or lifestyle without technology? Please explain your thoughts and provide any examples. **No, technology is as simple as pen and paper.**
4. In your opinion, what is the next innovation or era in technology after this data-driven era? **Human microchip**

## 3. Goals-reflection

1. Please share some of your educational-career goals you would like to achieve **while at** Chaminade University? Note: No educational-career goals or “I don’t know” will not be accepted as a response. **Receive my undergraduate degree in CS and DSAV, certificate in healthcare analytics. Explore education and business.**
2. Before graduating, what is 1 thing you would like to be known for at Chaminade University? **For being a true leader.**
3. Before graduating, what is 1 thing you would like to contribute to your major program (DSAV, CS, etc.) to make it better? **I am a Scientist collaboration, especially with Catholic schools.**
4. Please share a career goal **after** you obtain your degree from Chaminade University? Note: No career goals or “I don’t know” will not be accepted as a response.
  1. **Educator : secondary or post-secondary**
  2. **Business : business manager in education or ecclesial**
  3. **Seminary**
5. After obtaining your degree from Chaminade University, please share on what you believe your life will be like? **Graduate school.**
